The Scene Magazine has served as the city’s premier, award-winning multimedia source of alternative news, events and culture since 1970. The Scene bravely tackles issues that affect the local community and covers the most important people and events in Cleveland, all while growing the brand’s culturally-active audience across its multimedia platforms.

Our audience is diverse, nontraditional and difficult to reach through any other advertising source. For 50 years we’ve helped local and regional businesses grow their brand across our multiple advertising platforms; print, digital, social media, email marketing and events.

These are the young, early adopters all advertisers want to reach online. Get in front of them before your competitors do.

Our readers have 3-4 times more interest in local verticals than the average internet user, and are more likely to be young professionals with a vested interest in their local community.
