SHAKER SQUARE GROUP CONSPIRES TO TAKE OVER WARDS 4 & 6

...SHAKER SQUARE CONSPIRATORS PUSHED TO FRONT FOR
MARY BOYLE, JOEL RATNER AND PETER RUBIN

#1 CONSPIRATOR

ROWLAND MITCHELL... stood by as police murdered
INNOCENT UNARMED Clevelanders.

Rowland Mitchell
13903 Southington

This is the former ward 4 city council candidate that received only 9 percent of the vote in the 2017 city council election. He was investigated by the F.B.I. for the role that he played in the murder of two innocent Clevelanders. Is this the reason that he retired from the Cleveland Police Dept. shortly afterwards? Doesn't this man know that black people will never vote for a "policeman" that's involved in killing black people. Rowland is out front for the conspirators

#2 CONSPIRATOR

Michelle Jackson... Campaign Thief

Michell
Jackson
13800
Shaker Blvd.

After arriving from New York this known Shaker Square alcoholic and city council wantabe is a former Clinton campaign worker and was suspended for misuse of the campaign's credit cards. She has agreed to front for the Shaker Square group and try to force Cleveland city council to spend all of the ward 4 discretionary money on shaker square at the expense of the rest of the ward's CONSIDERABLE NEEDS. Who is paying Michelle to be out front?

#3 CONSPIRATOR

C. ELLEN CONNELLY

Connelly
13507 Cornere

...Disgraced Shaker Square resident and former judge

Had the nerve to run against the first black woman chairman of the Cuyahoga county democratic party. Connelly seems to stir up trouble to keep from being bored. She's got enough of a pension to go on a year-long cruise. She should go. Take 76 year old Mary Boyle with you.
